ABOUT ME

I am a Visual Designer because I dabble in all aspects of design (Print, Digital, Web...). On a daily basis I could be creating posters, brochures, flyers and other print collateral or recording and editing a promotional video for marketing. I also could be designing a department web/landing page, a graphical communication for a digital signage network or a graphical email communication.

- 9 years experience as a professional graphic designer
- Skilled in Print, Web, Video, Photography, e-Learning and more
- Experience creating and following Brand Identity Guidelines/Style Guides
- Ability to manage complex projects from concept to completion
- Ability to collaborate with other designers seamlessly
